OUNTY MUTUAL

lberty St., Bloomfield, N. J. fos. c. DODD. Secretary.

ld Savings Institution. eposited on or before July 1st

interdet from thetelete.

T. C. DODD. Treasurer,

In the desert mountain ranges of Cali drain and Arizona no rain falls.

A young lady in Garryis has saed ade for \$25,000 for breach of promist. per, was sold for \$100.

find persons have been discovered among 13,825 railway servants in Eugland.

By desire of the late King of Prussia his heart was interred in a heart-shapen mar-Levi Robbins of Copenhagen, New York, is 109 years old, and has just signed the temperance pledge for the first time in his

A man has been arrested in the State of Peubla, Mexico, for representing himself to be St. Michael, the archangel, and receiving the adoration of the Indiana.

A new French appliance is an electric brake, which is made to operate on the wheel-brake by means of electricity generated during the motion of the train, and applied at pleasure.

According to accounts from the Piff Islands, a French vessel, the Aurora, has been pursping the course of a systematic player and pirate, kidnapping the natives and committing numerous outrages.

A bank sleek in Boston was accidentally locked in the vault a short time ago. His frantic cries brought no release, but, fortanately, a book that had been carelessly left out caused the reopening of the door.

The new railroad to San Francisco through Arizona runs sixty miles along a basin that is 250 feet below the level of the ocean. This region has two to four feet of salt and alkali covering its surface. The ground is

The rare phenomens of an inverted rainhow has been observed at a Premian town. The ends of the semi-circle, the centre of which was the sun, rose and moved westward with the latter for some thirty minutes; when the appearance ranished.

From nearly every garden in Manilla the

A trick practiced by a Chicago thief was to rush into counting-rooms, offices, etc., while the fanitor was at work, ask hurriedly where something was he had left the night before, take what he wanted and depart, his very andacity allaying any enspicion. He was catight at last.

city, as indeed the whole of Holland, the thickness. Jows have fared well. They have found an asylum, when in most other parts of Europe they had not a resting place, and there they remained, prospered and multiplied.

Silk first came from China, and the Chinected with it unknown to Europeans. In a good year they send as much as \$25,000. 000 worth of raw silk to England alone. The hanks, or books, as they are called, arrive with caps made of a single cocoon. This is done by a process unknown in Europe.

Mr. Fawcett, the Postmaster-General of England, has been making experiments with the employment of deaf and dumb persons in the sorting of papers in the post office savings-banks department, and the results already attained indicate a probability that their services will be found entirely acceptable.

Buckingham Palace, except during the Right underneath it this Janus of a journal eight days it is annually inhabited by evidently accepts the money of the other Queen Victoria, and the four evenings in side, as the subjoined will testify: " If the each season when it is devoted to hespital. slightly intoxicated lady who allowed a genity, remains empty and useless. The charming grounds are abandoned to the gardeners, and the splendid collection of pictures are rarely looked upon except by house-

A Durango (Mexico) correspondent describes a terrible scorpion known as the alacran, which infects that region. Its sting is mortal in every case, and no remedy has been ever been found to counteract its deadly poison. The speams are so violent that it takes three or four strong men to hold a patient stung by it 'Happily the suffering is short, for after two or three

One of the most adventurous "girls of the period" is Miss Mary Smith, a very Protous in varied experiences. At Lousville, any foreigner engaged in such teaching some time since, she invited a rick man to may be arrested and imprisoned without her hotel, and having induced him to strip consulting the foreign Consuls or Ambassaoff most of his clothes, threw them out of dors. the window, threatening to summon the clerk unless he signed a big check. He signed it. Lately, in man's attire, she has been the life and soul of a gang of thieves in Leadville, and has been arrested. She is young and attractive.

A new ballet box has just been submitted to the French Government. It has two locks each opening with a different key, and an apparetus which clips a stub or corner from the ticket deposited by the elector, and drope the stub into one part of the box, the ticket going into the other direction Simultaneously the machine registers on a tablet before the voter the number of the ticket clipped. The believe must agree in self that his ballot has been cast and taken

WHAT THE CLERK WANTED

Old Pinchem sat in his private office the other day, figuring up his profits, when his head olors, looking as pale as a sheep and as red as a cow by turns, entered and

"Mr. Pinchem, I-I-" "Have you got those goods off for Kala-"Yes, sir, they are off. Mr. Pinchem, I

have long "That has been attended to, str. Mr.

"You air, I know; but this is a p

carry are twelve; three times seven are twenty-one, and one sh, well, go ahead I'll finish this afterward." "Mr. Pinchem, I have been with you ten

longer than any other years ? Go shead," "And I have always tried to do my

"Have, ch? Go on." "And I now make bold-"

"Hold on! What is there bold about But never mind-I'll hear you out." "Mr. Pinchem, I want to ask-ask-

"Mr. Pinchem, I want to ask you fordaughter. Ah! Why didn't you speak right out? She's yours, my boy! Take her and be happy. You might have had

why you don't ask, if you want to."

"Mr. Pinohem." "What, you here yet? Well, what

Go 'long, now-I'm busy,"

"I wanted to ask you for-for-" "Didn't I give her to you, you rescal? "Yes, but what I wanted to ask you for was, not the hand of your daughter, but for

Oh, that was it, ch? Well, sir, that is entirely different matter, and it requires time next fall I'll see about giving you a raise of a dollar week. Six times four are A M and 3, P. M. Sunday School, 2, P. M. twenty-four and two to carry; and three

the castle at Dover, England, an old Roman pharos. The antiquity of this lighthouse, gich notes of the wild canary can be heard, which has probably not been used as such and, in the spinion of many, its songs are since the Norman Conquest, no doubt expreferable to that of its more brilliant do- ceeds that of any lighthouse in Great Britmestic brother; for, without the shrillness ain; it having been built, as is supposed, of the latter, it has very nearly its compass about A. D. 44. Upon it burned for many centuries great fires of wood or coal, the modern system of lamps and reflectors having superseded goal fires during the last

This pharos, like the one at Boulegue, is built of brick, in color and shape like those found elsewhere in the Roman structures of Great Britain. They are of a light red color, about fourteen inches long, and Amsterdam, by the latest consus, has a not more than an inch and a half thick. Jewish population of over 40,000. In that The morter-joints are of nearly the same

The preservation of this interesting relic is doubtless due to the fact that some centuries ago the tower was turned into a belfry, and was surrounded by walls of stone. The latter are now nearly destroyed by time, and the old remaining work is again

QUEER ADVERTISEMENTS.

The following advertisements are taken from a San Francisco newspaper; "The a Market street car is known to the lady who had just purchased it, and, even and for all disorders of the kidneys and liver. though he may have no regard for the hun- Try it now. gry orphans for whom it was destined, he is urged at once to remit \$1.50 and the expense of this advertisement to the business office of this paper, to save the exposure which will follow his disgusting conduct." Right underweath it this Janus of a journal tleman to spoil a \$10 pair of beaver pants by placing a lot of slush wrapped up in paper on the seat he was about to occupy does not immediately remit that amount to the care of A. B., at this office, a full account of the affair will shortly be given to

BASTERS MISSIONARY WORK.

The missionary workers in the East have been informed of an official announcement of the Turkish Minister of Foreign Affairs to the effect that hereafter no Moslem shall be allowed to leave his religion and become a Christian under penalty of death; that no one shall be allowed to teach doctrines subversive of Islam, and that

Most authors commence by writing poor poetry, and end by writing worse

ATS BROAD STREET.

Mr. Wm. Westfall found to be great enough in five years to pay of Butchess Co., N. Y., SE THARS of BIOGHTEE

> Great age and painful discuss are a sad combi nation. Yet Mr. William Westfall, formerly of Rock City, Dutchess Co., N.Y., now of Washington Hollow, in the same county, came to the office of Dr. David Kennedy, the eminent Physician and Surgeon, of Rondont, N. T., some time since, in a ondition to excite the sympathy of the most sold-blooded and hard-hearted person in the vorid. We say he came he was, rather, carried to the Doctor's office, for he was totally helpless

and bere the weight of 80 years beside. He had the symptoms of an aggravated case of calculus formations in the bladder. The usual instrumenennedy frankly told Mr Westfall that, owing to his age and debility, an operation was out of the Kennedy's Favorite Remedy," together with lehim to live out all his days. The outcome of this

The Bousons Why Dr. Kennedy's "Favorite Memedy" being extensively used by our people are as follows: It is a combination of vegetable alteratives. It is pleasant to the taste, adapted to both sexes and all ages, is effective in affording immediate relief in all cases of Kidney troubles. Liver Complaints, Constination of the Bowels, and derangements peculiar to women. At the same time purifies the blood, thus giving tone and strength to the system debilitated by disease or age. "Dr. Kennedy's Favorite Remedy" for sale by all drug-
